

Dear Parent or Caregiver

Re: COVID-19 at Tregear Public School

As advised on 22/11/2021 a member of our school community has tested positive to COVID-19.

Your child has **not** been identified as a contact of the confirmed case and therefore is not required to be tested or to isolate.

However, please be mindful of symptoms such as a fever, cough, sore throat, shortness of breath, runny nose, loss of smell/taste, muscle/joint pains, diarrhoea, nausea/vomiting or extreme tiredness.

If your child develops any of these symptoms, please:

- Go to a COVID-19 testing clinic (see details below); and
- Call the school to let us know and keep your child at home until you receive confirmation that the test is negative or their symptoms have resolved, whichever is longer.

You can find your nearest COVID-19 testing clinic [here](#).

Advice and resources are available on the NSW Health website including [further information about COVID-19](#), additional resources are available on the [NSW Government](#) website.

If you require an interpreter please contact the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. You will not be charged for this service.

The safety and wellbeing of our staff and students is paramount at all times. As such, we will continue to work closely with NSW Health to ensure that all necessary health advice is closely followed.

While we recognise this can be disruptive and inconvenient for many families it is important that we follow NSW Health advice and take all necessary precautions to minimise the risk of further transmission within our community.

Yours sincerely,

Olivia Tredoux
Relieving Principal
Tregear Public School
